# Thanks . . .

Recently the Piñero Collection acquired a collection of official photographs that were taken during the governorship of Jesús Piñero. This acquisition was made possible by a generous collaboration of Governor Piñero's grandson, Mr. Christopher Buck. At the Collection we are grateful to the Piñero family for their continued support for our efforts to preserve and enrich the legacy of our first Puerto Rican governor.

Two of the acquired images: Governor Tugwell speaks at Piñero's inauguration (September 3, 1946) and a detail of a portrait of Governor Piñero.

The *Carta Informativa* is the work of:  
Leticia Delgado, Norayma Celpa and Jaime Partsch
